FJORD 

be unique

Imagine the vigorous signature design of a FJORD powerboat in a size that takes liveability onboard to another level. Fancy a FJORD with unknown luxury, power and space. The boat you are dreaming of is the FJORD 48 open!

Go island-hopping over a couple of days. Set-out for a long-distance cruise and take all the joys of cutting-edge powerboating with you. The FJORD 48 open features everything your heart desires: Two vast double cabins, space for a tender boat and a hull construction so solid you can safely move outside coastal waters. What else do you need to celebrate a unique life?

FJORD 

impressive design

Seductive. Glamorous. Extravagant. The FJORD 48 open is a bold statement of independence and a symbol of success wherever she appears. Designer Patrick Banfield masterfully implemented the iconic FJORD hull shape to the size of 48 feet. Anything about her is reduced to the essential, brought to the best and outside the mainstream. When first impression counts, this inimitable powerboat always delivers.

- / characteristic design, featuring the FJORD trademarks: vertical bow, angular lines, t-shaped roof, clean surfaces*
- / frameless windshield for unobstructed panoramic view and unlimited open feeling*
- / individually hand-built for the client by boatbuilding craftsmen*
- / every single FJORD is unique, a beautifully customised one-off*

the wide anti-slip side deck ensures safe walking

stylish t-top, frameless windshield - at first glance a true FJORD

outstanding performance

The FJORD 48 open makes you understand how the word „breathtaking“ was born. Two Volvo IPS600 engines easily lift the bow from the water. If you prefer to get thrilled by the extreme, take the 1,300 horsepower version with three engines, boosting the speed up to 40 knots. The FJORD 48 open is the ultimate powerboat and makes no secret of it – time to outrun the ordinary!

- / extreme power and speed – three engine version available*
- / great feel and high fun factor*
- / long range capability: over 2,000 litres fuel capacity, 390 litres of fresh water*

sheer power easily controlled: pure fun for crew and helmsman

comfortable handling

The FJORD 48 open was designed for speed boating. But docking her is part of the fun, too! The finely tuned joystick control ensures you can move her 48 feet very precisely. Needless to say that everything else onboard can be handled with the same ease, thanks to hydraulic and electric support.

- / joystick control for easy docking*
- / spacious, hydraulically opening tender bay fitting a Williams Jet tender 285*
- / hydraulically lifting platform for launching the tender and comfortable access to the water*
- / hydraulic anchor hatch and arm*

easy to use: the hydraulic anchor launching system

safe & relaxing

Discover a new dimension of sharing your vibrant lifestyle with family and friends. The lavishly large sundeck at the stern is an irresistible invitation to stretch out in the sun. And when the sun goes down, it provides the most coveted party location at any place you drop anchor. Finest materials touch everybody's senses, and all amenities your guests could wish for are within easy reach. Exceptional seakeeping makes sure everyone stays relaxed during the whole cruise.

- / enormous deck space*
- / full functional kitchen including barbecue, bar with refrigerator, cool fresh water even under hot conditions*
- / modern blend of high-grade materials: leather, teak, stainless steel*
- / safe for children: single-level non-slip teak deck, deep secure bulwarks, convenient sidewalks*

welcome home

When the day is over, the *FJORD 48 open* continues to excite. Two impeccably styled double cabins offer the perfect retreat to get inspired and relaxed at the same time. The interior is furnished with surfaces so noble your hands wish to feel them. Headroom, berth size and storage room go beyond your previous ideas of a powerboat. Get below deck and feel the atmosphere of privacy, space, purism and elegance!

- / exclusive living quarters – puristic design, sophisticated ambience, top materials
- / generous measurements – maximum headroom and king size berths make everyone feel at home
- / the cabin layout either features a walk-in wardrobe accessible from the bow cabin – or a second en-suite head accessible from the starboard cabin
- / furniture woods are available in different styles or the surfaces can be individually painted in a great variety of colours and fine varnishes
