## Hanse 510 shortlisted for Top 10 Best Boats 2024

**Greifswald, 5 October 2023:** The Hanse 510 has been shortlisted for Sail magazine's annual selection of the ten best boats. Each year, the American magazine awards the ten most outstanding new sailing yachts. Sail's final Top 10 will be announced in early 2024.

The Hanse 510 combines radically innovative design and impressive volume with the essential Hanse values: fast cruising and easy sailing. She is equipped with the largest and most practical dinghy garage in its class, made for holding an inflated dinghy of up to 2.7 metres. With her enormous variety of options, the new Hanse 510 can be customised to fulfil almost every owner's dreams and needs.

The first model of the revolutionary new range from Hanse's collaboration with Berret-Racoupeau, the Hanse 460, entered Sail's Top 10 in 2023, after already having been honoured as European Yacht of the Year and winning the British Yachting Award.
