Hanse 510 Wins Top 10 Best Boats 2024 Award

Greifswald, 9 January 2024: The Hanse 510 is among the winners of American *SAIL* magazine's 2024 10 Best Boats selection.

Here are some of the jury's comments:

- "The cockpit is spacious and versatile, making this boat as good for entertaining as it is for sailing."
- "The boat accelerates really well, it's nimble, balanced, and you can really feel the boat through the helm."
- "I love to see builders thinking outside the box about how owners will actually use their boats and what inventive new layouts and features will best serve them."
- "With myriad layouts offered, Hanse provides buyers enviable flexibility in choosing what suits them best, making it a 'production boat' in name only."

The full review of the Hanse 510 can be read in the January/February issue of *SAIL*.
