PRESSEMITTEILUNG | PRESS RELEASE

## Moody to launch new Decksaloon 48

**Greifswald, 5 September 2023.** In a few months, Moody will enlarge its range of luxurious blue water deck saloon yachts with the new Moody DS48.

Like her bigger and smaller sisters, the awarded DS41 and the DS54, the Moody DS48 comes with the comfortable and safe Moody walkaround deck with high bulwarks and rigid guard rails. Her saloon offers a perfect 360-degree outside view. And like all Moody yachts, the new Moody DS48 allows for one level living without any step between cockpit and saloon. With her sophisticated concept, she offers the typical Moody “monomaran“ catamaran experience on just one hull – now also in the 48-foot class.

The new Moody DS48 and its great versatility of options will be officially presented in December 2023.
