On 14 May 2024, the Frankfurt Stock Exchange informed HanseYachts AG, Greifswald, that it has granted the requested revocation of the listing of the shares of HanseYachts AG. The revocation will take effect at the end of 17 May 2024 and thus the HanseYachts share (ISIN DE000A0KF6M8) will no longer be traded on the regulated market of the Frankfurt Stock Exchange at the end of 17 May 2024. The delisting follows the delisting tender offer made by HY Beteiligungs GmbH on 10 April 2024, for which the offer period expired on 8 May 2024 and which led to a tender of around 5.26% of the shares of HanseYachts AG to HY Beteiligungs GmbH.
