Privilège strengthens international sales team

Greifswald, 18 March 2020: Luxury catamaran manufacturer Privilège has expanded its international sales team with Sales Manager Anna Nowotarska. Following a career of 14 years in the yachting industry, Anna Nowotarska joins the team with a high level of expertise.

Gilles Wagner, CEO Privilège: “We are happy to welcome such an experienced and well-connected person with an outstanding reputation. Anna will help us to introduce our continuously growing fleet to the market and to improve distribution opportunities.”

“As Privilège will celebrate two world premieres in 2020, the timing couldn’t be any better to start my new professional challenge. I have been working in the multihull industry for many years, giving me confidence to involve myself successfully in this prestigious shipyard”, said Anna Nowotarska during her first visit at the shipyard in Les Sables d’Olonne, France.
