PRESSEMITTEILUNG / PRESS RELEASE

Open Day at Hanse Yachts AG

Greifswald 29.04.09 - Last weekend the sun was smiling for more than 700 visitors on the day of open doors at Hanse Yachts AG in Greifswald.

For the fourth time Hanse Yachts opened their doors to show their complete product range of sailing and motor yachts of Hanse, Moody and Fjord.

The yacht builder Vilm from the island of Ruegen was also represented with a Vilm 34. The exhibition was completed by a full range of brokerage yachts. There was great interest and several new and used yachts found their new owners in time for the beginning sailing season.

More than 200 visitors used the chance to join a guided tour of the boat yard and were impressed of the high technical standard of serial production at Hanse Yachts.

17 exhibitors informed the visitors about accessories and equipment in the field of water sports. There were steaks from the barbecue and longdrinks from the Restaurant "Die Tischlerei" to make everybody happy. During the evening program Svante Domizlaff entertained the guests with some interesting insights into the beginnings of water sports in Germany.

Karsten Baas, managing director of Hanse Vertriebsgesellschaft Greifswald added: "In the beginning of September we are going to have our fifth Open Day and we are already looking forward to introduce our new range of yachts for the season 2009/2010".
